

# 2020-2021

## Bowling Season

**We have lots of options to bowl league this season. USBC has relaxed the rules on how league bowling can be conducted. Feel free to ask questions, voice your concerns, but please know that everyone's safety is our top priority.**

- **Option 1** – Bowl Normal (knowing the bowling center is clean prior to your arrival & cleaned after you leave.
- **Option 2** – Teams on the odd lane have the seatee area (seats in bowling area), teams on the right lane have both back tables, still cross bowling, but not mingling together in the bowling area
- **Option 3** – Bowl both teams on the same pair, but no crossing lanes so same team same lane
- **Option 4** – Senior/women day leagues- one team per pair, but start in the mornings

- All leagues will bowl 13 weeks  
2- 6 week halves  
Week 13-Roll off/fun/tourney night
- League rules would be adopted from 19/20 season
- Lineage stays the same
- All league bowlers will sign a "Waiver of Liability Form"
- We ask that all league bowlers limit the number of people that you bring with you to bowl as far as spectators. With the seating for bowlers to be spread out, there isn't a lot of seats left. The gameroom isn't open yet, but we understand kids may need to come, please know we have limited space for the spectators.

Buffaloe Lanes North owners & staff thank you all for bowling with us & know that your safety is a priority to us. We know we can offer you a safe environment to bowl in and look forward to having all of you back on the lanes.

We hope that after our short season leagues this fall, we can start to get back to somewhat of a normal schedule and role into the new year with a longer season finishing up April/May like normal. Running the shorter season will allow those people that are not comfortable yet the option to come and bowl in January.
